STAR AWARDS HONORS 27 YEARS OF DEDICATION from Arts for Learning San Diego board member Dr. Terry O'Donnell

Arts for Learning San Diego, an Affiliate of Young Audiences (A4LSD) will honor long-time board member Dr. Terry O'Donnell for 27 years of dedication to arts education at the 23rd Annual Star Awards hosted by The San Diego Performing Arts League on February 1st at 7 pm.

The active enthusiasm of Dr. Terry O'Donnell to provide access to arts education for children in the San Diego region has been an inspiration for the staff and board of A4LSD. During Dr. O'Donnell's time with A4LSD he has championed the continuation of arts programming made available to youth and their families to inspire and create thriving communities. Serving their third generation in San Diego A4LSD has lead the community in advocating for more arts education in schools and currently coordinates the Title I Initiative to provide Learning Through the Arts to the San Diego Unified School District. Through Dr. O'Donnell's dedication to the arts and communities partnerships such as these are made possible.

In addition to years of loyalty Dr. Terry O'Donnell has graciously sponsored a Matching Campaign for A4LSD of up to \$18,000 that began on Giving Tuesday, December 1, 2015 and will culminate with a public celebration on February 7th from noon to 2 pm at A4LSD's new location in University Heights.
